# WHOLESALE LIST

## Terms and Conditions of Sale

This List Cancels All Previous Quotations

### TERMS:

All prices are f.o.b. San Gabriel, Calif. All accounts due on the first and payable the 10th of second month following purchase (60 days) to nurserymen with established credit. Otherwise, C.O.D. 1% per month interest charged on overdue accounts. 5% discount for cash on delivery, or cash on picked-up orders.

### PACKING:

Free on truck and carload shipments. Baling at cost (app. 5% of order.)

### DELIVERY COSTS:

Southern California—free delivery to most areas.

Northern California—as indicated on bottom of catalog sheets.

Interstate Deliveries—we deliver to other states at a low delivery price, by semi trailer. Contact us for actual cost.

### CLAIMS:

For any cause, claims must be made within ten days of receipt of stock.

### GUARANTEE:

We accept all orders subject to crop conditions, and we reserve the right to cancel a portion of the stock, or all thereof, should injury befall our stock from hail, windstorm, frost, other weather conditions, error in count, insect and disease injury, or other natural causes beyond our control. We are careful to keep our varieties true to name and will replace any portion of the stock that may prove otherwise, or refund the price paid for such portions. It is agreed that the original price shall be the maximum damages the purchaser is entitled to.

### QUANTITIES:

100 of one variety takes 100 rate.

### OUR LOCATION:

Office, warehouse and yard—5 blocks east of corner of San Gabriel Blvd. and Las Tunas Blvd., 200 feet north of Las Tunas on Vista St., San Gabriel.

OUR SERVICES TO YOU

OUR IMPROVED AND MODERN METHODS OF PROCESSING DECIDUOUS STOCK ARE DESIGNED TO HELP YOU MAKE A PROFIT. ONLY BY YOUR SATISFACTION CAN WE HOPE TO CONTINUE TO GROW.

THESE SERVICES ARE DONE FOR YOU (AND, INDIRECTLY, FOR OURSELVES) FROM THE FIRST STAGES OF GROWING, ON THROUGH EACH STEP OF PROCESSING TO ENABLE YOU TO SAY TO YOUR CUSTOMERS: "I KNOW THESE TREES ARE GROWN, HANDLED AND PROCESSED RIGHT."

QUALITY! ALL TREES THAT REQUIRE STAKING ARE TIED WITH "MIRACLE" GARDEN TIE, (PLASTIC). THIS ASSURES THAT YOU WILL NEVER RECEIVE TREES THAT HAVE BEEN CUT OR GIRDLED FROM THE USE OF TWINE OR WIRE TIES.

CARE! DAILY, DURING DELIVERY SEASON, OUR HEELING-IN GROUNDS ARE COMPLETELY SPRINKLED WITH OVERHEAD RAINBIRD SPRINKLERS TO MAINTAIN PROPER MOISTURE AND HUMIDITY. THIS IS IMPORTANT TO PREVENT DEHYDRATION OF UPPER BRANCHES OF TREES.

MORE CARE! ALSO, OUR HEELING-IN GROUNDS ARE EQUIPPED WITH HIGH PRESSURE HOSES TO ADEQUATELY SOAK-IN STORED TREES. THIS ELIMINATES AIR POCKETS AROUND ROOTS. THIS IS VERY IMPORTANT TO THE LATER GROWTH OF TREES. TREES MUST BE HANDLED RIGHT IN ORDER TO GROW RIGHT!

WILT PRUFING! ALL VARIETIES OF TREES THAT DEHYDRATE EASILY ARE DIPPED IN WILT-PRUF. THIS WILT-PRUFING HAS BEEN A GREAT HELP TO US, AND TO OUR CUSTOMERS, IN MINIMIZING THE LOSSES ON BAREROOT STOCK IN HANDLING AND STORING IN NURSERIES. WILT-PRUF IS A LIQUID PLASTIC THAT DRIES ON THE TREE TRUNK AND LIMBS. IT IS INVISIBLE, AND HAS PROVEN A TERRIFIC DETERRANT TO DRYING OUT.

NO ABUSE! WE COVER ALL BARE ROOTS WITH SHINGLETOW ON TRUCK DELIVERIES. THIS PREVENTS DRYING OF THE ROOTS IN TRANSIT, WHICH IS A POTENTIAL SOURCE OF TROUBLE TO DECIDUOUS STOCK.

SALES AIDS! OUR SALES AIDS HELP YOU SELL TREES. (A) COLORFUL PLASTIC POSTER. (B) HANDBOOK OF FRUIT TREE DESCRIPTIONS, FITS YOUR POCKET. (C) INDIVIDUAL SHADE AND FLOWERING TREE COLOR PICTURE LABELS. (D) INDIVIDUAL FRUIT TREE DESCRIPTIVE LABELS.

WE ARE EQUIPPED TO GIVE YOU REAL SERVICE, AND WILL ENDEAVOR TO HANDLE YOUR BUSINESS IN A PROPER AND EFFICIENT MANNER.

THESE EXTRAS ARE FOR YOU

1. The first part of the document is a letter from the President of the United States to the Congress, dated January 3, 1862. It is a very long letter, and it contains a great deal of information about the state of the country at that time. The President talks about the war with Mexico, and about the situation in the South. He also talks about the economy, and about the need for more money. The letter is written in a very formal style, and it is full of references to the Constitution and to the laws of the country.

2. The second part of the document is a report from the Secretary of the Treasury, dated January 10, 1862. It is a very long report, and it contains a great deal of information about the state of the Treasury at that time. The Secretary talks about the amount of money that the Treasury has, and about the amount of money that it needs. He also talks about the different ways that the Treasury can get more money, and about the different ways that it can spend money. The report is written in a very formal style, and it is full of references to the laws of the country.

3. The third part of the document is a report from the Secretary of the Interior, dated January 15, 1862. It is a very long report, and it contains a great deal of information about the state of the Interior at that time. The Secretary talks about the land that the government owns, and about the people who live on that land. He also talks about the different ways that the government can use the land, and about the different ways that it can protect the land. The report is written in a very formal style, and it is full of references to the laws of the country.

4. The fourth part of the document is a report from the Secretary of the War, dated January 20, 1862. It is a very long report, and it contains a great deal of information about the state of the War at that time. The Secretary talks about the number of soldiers that the government has, and about the different ways that the government can get more soldiers. He also talks about the different ways that the government can equip the soldiers, and about the different ways that it can train the soldiers. The report is written in a very formal style, and it is full of references to the laws of the country.

5. The fifth part of the document is a report from the Secretary of the Navy, dated January 25, 1862. It is a very long report, and it contains a great deal of information about the state of the Navy at that time. The Secretary talks about the number of ships that the government has, and about the different ways that the government can get more ships. He also talks about the different ways that the government can equip the ships, and about the different ways that it can train the sailors. The report is written in a very formal style, and it is full of references to the laws of the country.

6. The sixth part of the document is a report from the Secretary of the State, dated February 1, 1862. It is a very long report, and it contains a great deal of information about the state of the State at that time. The Secretary talks about the different countries that the government has relations with, and about the different ways that the government can get more information about those countries. He also talks about the different ways that the government can protect the country from foreign attacks, and about the different ways that it can help other countries. The report is written in a very formal style, and it is full of references to the laws of the country.

7. The seventh part of the document is a report from the Secretary of the Army, dated February 5, 1862. It is a very long report, and it contains a great deal of information about the state of the Army at that time. The Secretary talks about the number of soldiers that the government has, and about the different ways that the government can get more soldiers. He also talks about the different ways that the government can equip the soldiers, and about the different ways that it can train the soldiers. The report is written in a very formal style, and it is full of references to the laws of the country.

8. The eighth part of the document is a report from the Secretary of the Navy, dated February 10, 1862. It is a very long report, and it contains a great deal of information about the state of the Navy at that time. The Secretary talks about the number of ships that the government has, and about the different ways that the government can get more ships. He also talks about the different ways that the government can equip the ships, and about the different ways that it can train the sailors. The report is written in a very formal style, and it is full of references to the laws of the country.

9. The ninth part of the document is a report from the Secretary of the State, dated February 15, 1862. It is a very long report, and it contains a great deal of information about the state of the State at that time. The Secretary talks about the different countries that the government has relations with, and about the different ways that the government can get more information about those countries. He also talks about the different ways that the government can protect the country from foreign attacks, and about the different ways that it can help other countries. The report is written in a very formal style, and it is full of references to the laws of the country.

10. The tenth part of the document is a report from the Secretary of the Army, dated February 20, 1862. It is a very long report, and it contains a great deal of information about the state of the Army at that time. The Secretary talks about the number of soldiers that the government has, and about the different ways that the government can get more soldiers. He also talks about the different ways that the government can equip the soldiers, and about the different ways that it can train the soldiers. The report is written in a very formal style, and it is full of references to the laws of the country.

## OUR TREE STORAGE AND SHIPPING YARD

### PROCESSING AND SHIPPING SHED

Overhead spray mist.

Lighted for night loading.

### ADDITIONAL SHADE AREA FOR SHIPPING

Proper shade protection.

### TREE STORAGE AREA

- A. COMPLETE WITH OVERHEAD SPRINKLERS FOR DAILY WATERING.
- B. EQUIPPED WITH HIGH PRESSURE HOSES FOR FLOODING IN AND ELIMINATING AIR POCKETS AMONG ROOTS OF TREES.

### **DON'T ABUSE ME!**

This is our method of "Wilt Prufing" all trees that we consider critical in handling, shipping, and storing in retailers sales yards. It is added protection against drying winds, low humidity and heat. Each bundle is immersed in this long tube (except roots) and is tagged with a wilt pruf tag. Wilt Prufing has come of age. After testing our method of Wilt Prufing on specific varieties of shade and fruit trees for 3 years, we can now count the results. Livability of these critical varieties has been increased a thousand fold. (Note items that we Wilt Pruf on each catalog page.) Enthusiastic reports from our customers verify our confidence in this extra, (and costly to us,) protection.

This is for **your** benefit and protection, yet it costs you nothing, as we pay all costs in time and material.

This added protection is a help—please do not think that you can abuse bare root stock, even with "Wilt Prufing." Protect your investment in trees by proper care. Keep them moist, and protected from heat, wind, and freezing temperatures.

1. The first part of the document is a letter from the President of the United States to the Congress, dated January 1, 1861. It is a very important document, as it sets out the President's policy for the new year. The President states that he is pleased to see the Congress assembled, and that he is confident that the country is in a good position to meet the challenges of the future. He also mentions the recent election of Abraham Lincoln as President, and expresses his confidence in the new administration.

2. The second part of the document is a report from the Secretary of the Treasury, dated January 1, 1861. It provides a detailed account of the financial state of the country at the beginning of the year. The report states that the country is in a sound financial position, with a strong and stable currency. It also mentions the recent increase in the national debt, and expresses the Secretary's confidence that the country will be able to manage the debt effectively.

3. The third part of the document is a report from the Secretary of the Interior, dated January 1, 1861. It provides a detailed account of the state of the country's natural resources, including land, water, and minerals. The report states that the country has a vast and rich natural resource base, and that the government is committed to managing these resources in a sustainable and responsible manner.

4. The fourth part of the document is a report from the Secretary of the War, dated January 1, 1861. It provides a detailed account of the state of the country's military forces, including the Army and the Navy. The report states that the country has a strong and well-trained military, and that the government is committed to maintaining the country's defense capabilities.

5. The fifth part of the document is a report from the Secretary of the State, dated January 1, 1861. It provides a detailed account of the country's foreign relations, including its relations with other countries and international organizations. The report states that the country is committed to maintaining a policy of peace and cooperation with other nations, and that the government is working to strengthen the country's international standing.

6. The sixth part of the document is a report from the Secretary of the Navy, dated January 1, 1861. It provides a detailed account of the state of the country's naval forces, including the ships and the personnel. The report states that the country has a strong and modern navy, and that the government is committed to maintaining the country's naval power.

7. The seventh part of the document is a report from the Secretary of the Army, dated January 1, 1861. It provides a detailed account of the state of the country's army, including the soldiers and the equipment. The report states that the country has a strong and well-equipped army, and that the government is committed to maintaining the country's military readiness.

8. The eighth part of the document is a report from the Secretary of the War, dated January 1, 1861. It provides a detailed account of the state of the country's military forces, including the Army and the Navy. The report states that the country has a strong and well-trained military, and that the government is committed to maintaining the country's defense capabilities.

9. The ninth part of the document is a report from the Secretary of the State, dated January 1, 1861. It provides a detailed account of the country's foreign relations, including its relations with other countries and international organizations. The report states that the country is committed to maintaining a policy of peace and cooperation with other nations, and that the government is working to strengthen the country's international standing.

10. The tenth part of the document is a report from the Secretary of the Navy, dated January 1, 1861. It provides a detailed account of the state of the country's naval forces, including the ships and the personnel. The report states that the country has a strong and modern navy, and that the government is committed to maintaining the country's naval power.

11. The eleventh part of the document is a report from the Secretary of the Army, dated January 1, 1861. It provides a detailed account of the state of the country's army, including the soldiers and the equipment. The report states that the country has a strong and well-equipped army, and that the government is committed to maintaining the country's military readiness.

12. The twelfth part of the document is a report from the Secretary of the War, dated January 1, 1861. It provides a detailed account of the state of the country's military forces, including the Army and the Navy. The report states that the country has a strong and well-trained military, and that the government is committed to maintaining the country's defense capabilities.

13. The thirteenth part of the document is a report from the Secretary of the State, dated January 1, 1861. It provides a detailed account of the country's foreign relations, including its relations with other countries and international organizations. The report states that the country is committed to maintaining a policy of peace and cooperation with other nations, and that the government is working to strengthen the country's international standing.

14. The fourteenth part of the document is a report from the Secretary of the Navy, dated January 1, 1861. It provides a detailed account of the state of the country's naval forces, including the ships and the personnel. The report states that the country has a strong and modern navy, and that the government is committed to maintaining the country's naval power.

# WILT-PRUF

THE AMAZING NEW LIQUID PLASTIC FOR  
RETARDING WATER LOSS AND WILTING OF PLANTS !

USE WILT - PRUF . . . . . FOR COMPLETE PROTECTION OF YOUR  
nursery stock

WILT-PRUF PREVENTS: Injuries caused by wind-burn, sun-burn  
and salt spray!

USE IT-to protect valuable plant material in summer and winter!

AVOID-losses due to wilt and set back by using it as an anti-  
tran-spirant before transplanting!

SELL WILT - PRUF YEAR 'ROUND . . . . .

YOUR CUSTOMERS NEED WILT-PRUF, TOO . . . To preserve Christmas  
trees, decorative greens and add shine and luster to indoor plant  
material! Also, as an anti-transpirant for transplanting when  
they wish!
